

AIMed

Artificial Intelligence in Medicine

AIMed Cardiology Preliminary Agenda
17-18 June, 2019, Chicago

Monday, 17 June 2019		
Venue: Ritz-Carlton Chicago		
7:30	8:45	Workshop AI in Medicine Primer
8:45	09:00	Break
09:00	10:00	Session I Big Data, Databases, and Data Science in Cardiology
10:00	10:30	Break
10:30	11:30	Session II Cognitive Computing and Natural Language Processing
11:30	13:00	Lunch
13:00	14:00	Session III Essential Issues in AI in Medicine: From Bias to Regulatory Issues
14:00	14:30	Break
14:30	15:30	Application Cardiology Cases and Discussion
15:30	16:00	Break
16:00	17:00	Demonstration Interactive product demonstrations
17:00	18:00	Open Forum AI in Medicine for Cardiology: Current State of the Art and How to Get Started and Future
		Adjourn

AIMed

Artificial Intelligence in Medicine

Tuesday, 18th June, 2019		
07:30	08:45	Workshop Introduction to Machine/Deep Learning and Convolutional Neural Network (CNN)
08:45	09:00	Break
9:00	10:00	Application Cardiology Imaging Cases and Discussion
10:00	10:30	Break
10:30	11:30	Demonstration I Data Science in Medical Imaging (Live Programming)
11:30	13:00	Lunch
13:00	14:00	Demonstration II Data Science in Medical Imaging (Live Programming)
14:00	14:30	Break
14:30	15:30	Application Radiology Imaging Cases and Discussion
15:30	16:00	Break
16:00	17:00	Application Radiology Imaging Cases and Discussion
